What Hillary really said about Martin Luther King

HILLARY CLINTON: Dr. King's dream began to be realized when President Lyndon Johnson passed the Civil Rights Act of 1964, when he was able to get through Congress something that President Kennedy was hopeful to do, the president before had not even tried, but it took a president to get it done"

JESSE JACKSON SENIOR: When Hillary said Lyndon Johnson was necessary to get the Voting Rights Act passed, of course she's right.... King appreciated what Johnson helped achieve, even as he continued to challenge him

LYNDON JOHNSON: It's all of us, who must overcome the crippling legacy of bigotry and injustice. And we shall overcome.
